Re: Boundary Posts for Rosebud Quarry, M/003/026, Box Elder County, Utah

Dear Mr. Thomas:

The Division has reviewed your request of September 26, 2000, to place boundary markers around the Green Quarry only prior to resuming operations at the Rosebud Quarry. Your letter also indicated that 2-3 posts would be placed on the roadway to the White Quarry to indicate no mining will occur at the White Quarry until the BLM approves the plan of operations for this area. The Division hereby *approves this request* as outlined in your letter.

As stated in your letter, Lynn Kunzler is planning to meet with David Ryzak on October 3rd at the Rosebud Quarry to verify that the quarry disturbed area boundaries are adequately marked prior to your resuming mining activities.

Should you have any questions, please don't hesitate to give me or Lynn Kunzler a call at (801) 538-5286 and 538-5310, respectively.

Sincerely,

D. Wayne Hedberg,
Permit Supervisor,
Minerals Regulatory Program
